

Christine Sevita Bio

I have been dedicated my spare time working as a volunteer for the various Community organisations. I am currently on the Board as Treasurer for the Victoria Maori Wardens and have also served on the Committee for Werribee Tigers Rugby League Club, Te Roopu Atawhai and Victoria Samoan Advisory Council over the past 15 years.

My passion and dedication is giving back to our Community and making a difference for the betterment of our Communities especially the Youth.

With Te Roopu Atawhai in Partnership with MAV, we organised a massive NZ Festival at Federation Square in 2005 and 2007. With the Victoria Maori Wardens we have organised two major festivals in the Hoppers Crossing Wyndham. These festivals showcased our Polynesian art forms at its best, especially in traditional and contemporary song and dance. I am proud to have been a part of these.
