

# Expression of Interest: Mapping Melbourne 2017

## Independent Contemporary Asian Arts

Multicultural Arts Victoria is currently inviting program submissions for Mapping Melbourne 2017. Now in its fifth year, Mapping Melbourne is a platform for strengthening arts networks between contemporary independent artists across the Asian region, building connections and establishing collaborative ongoing relationships, and presenting challenging work.

Within the festival, MAV can support projects in various ways ranging from links to networks/venues, to assistance with publicity/marketing, to financial support depending on individual requirements.

In order for the submission to be considered, the project outcome must take place in the City of Melbourne in the first two weeks of December and be relevant to the theme of “contemporary Asia in Melbourne”.

Submission deadline: 5pm, Friday 28 April 2017

Applications should be submitted digitally to the Creative Producer, Meg Larkin via:
